United States District Judge
United States District Court of Maryland
for the District of Maryland

Re: Liller, et al. v. Robert Kauffman, et al.
Case No.: MJG 02-CV-3390 (Consolidated with MJG 02-CV-3391)
Our File No.: 1440-2-15

Dear Judge Garbis:

Because of the complexity of the medical issues in this case and the fact that a new party has recently been added to this case, the parties jointly request a modest adjustment of the scheduling order so that we can complete discovery in an orderly manner. Accordingly, we request that the Court adjust the scheduling order as follows:

November 11, 2003	Defendants' and Third Party Defendant's Rule 26(a)(2) disclosures regarding experts;
November 27, 2003	Plaintiff's rebuttal Rule 26(a)(2) disclosures regarding experts;
December 1, 2003	Rule 26(e)(2) supplementation of disclosures and responses;

The Honorable Marvin J. Garbis
